

VISUAL IMAGE AUTHORITY

Dear Parent/Guardian,

Geraldton Residential College has recently received clarification of the Department of Education’s Information Privacy and Security Policy that requires schools/colleges to gain parental/guardian permission before using visual images of students such as photographs outside the school/college environment.

Geraldton Residential College regularly uses images of students in a variety of ways to recognize excellent achievement, inform parents and local community of college matters, publicize events and to promote the college. From time to time we may also be asked to contribute to Country High School Hotels Authority materials such as promotional videos and newspapers. The college also has an internet site, which may result in your child’s image potentially being accessed worldwide through the internet.

We request your permission to use any images of your child in some or all of the ways listed below. You are of course at liberty to withdraw your consent at any time by contacting the college in writing.

- College websites/CD ROMs/Video/Newsletters/Magazine or any medium in relation to college related activities.
- Promotional material for the Country High School Hostels Authority or College.
- Articles for West Australian/College/Community Newspapers.

Please complete the permission slip below and return to Geraldton Residential College.

If you have any queries, please don’t hesitate to contact the College on (08) 9965 6000.

Thank you for your assistance.

I give permission for Geraldton Residential College to use images of the student(s) named below:
